- Newsletters
- Volunteer Work

Civic Involvement

Local Garden Clubs are active in your community through:

Landscape projects in public locations.

Gardening outreach to youth through programs, clubs and contests.

Outreach to nursing homes, retirement homes and other specialized residences

Scholarship Grants for Teachers and College Students Over \$10,000 is awarded each year.

Contributions to Local and Worldwide Agencies

Legislative Advocacy

Habitat For Humanity

Blue Star Markers Honoring those who have served, are currently serving or will serve in the United States Armed Forces.

Washington State Federation of Garden Clubs (WSFGC) was formed in 1933 to promote horticulture, civic beautification, conservation, landscape design, floral design, flower shows, youth involvement and scholarships.

WSFGC is a part of the Pacific Region of National Garden Clubs, Inc. (NGC), the largest volunteer gardening organization in the world.

WSFGC publishes *Smoke Signals*, a quarterly magazine, to keep members informed. Articles cover many aspects of garden club interests.

WSFGC serves 14 districts, 17 youth clubs and 146 local clubs with over 3,400 members.
